

## Tiny Tim

I had a little turtle,  
His name was tiny Tim,  
I put him in the bath tub,  
To see if he could swim,  
He drank up all the water,  
And ate up all the soap,  
And now he's in his bed with a bubble in his throat,  
Bubble, Bubble, Bubble, POP

In came the doctor, in came the nurse, in came the lady with the alligator  
purse,  
Sick said the doctor, sick said the nurse, sick said the lady with the alligator  
purse,  
Bed said the doctor, bed said the nurse, bed said the lady with the alligator  
purse.
