6.6 Incapacitated parent/carer

Incapacitated refers to a condition which renders a parent/carer unable to take responsibility for their child; this could be at the time of collecting their child from the setting or on arrival. Concerns may include:

- appearing drunk
- appearing under the influence of drugs
- demonstrating angry and threatening behaviour to the child, members of staff or others
- appearing erratic or manic

Informing

- If a member of staff is concerned that a parent/carer displays any of the above characteristics, they inform the Designated Safeguarding Lead as soon as possible.
- The Designated Safeguarding Lead assesses the risk and decides if further intervention is required.
- If it is decided that no further action is required, a record of the incident is made on form 6.1b Safeguarding Incident Reporting form.
- If intervention is required, the Designated Safeguarding Lead speaks to the parent/carer in an appropriate, confidential manner in the presence of one other member of staff.
- The Designated Safeguarding Lead will, in agreement with the parent/carer, use emergency contacts listed for the child to ask an alternative adult to collect the child.
- The emergency contact is informed of the situation by the Designated Safeguarding Lead and of the setting's requirement to inform Children's Services of their contact details.
- The Trustees are informed of the situation as soon as possible and provide advice and assistance as appropriate.
- If there is no one suitable to collect the child Children's Services are informed.
- If violence is threatened towards anybody, the Police are called immediately.
- If the parent/carer takes the child from the setting while incapacitated the Police are called immediately and a referral is made to Children's Services.
